

Why Should You Use Zdonek & Wolowicz To Prepare Your Tax Returns?

For all these reasons that set Zdonek & Wolowicz (“Z&W”) apart from the rest:

1. **They Help You Minimize Your Taxes.** Z&W are not merely “scorekeepers” who crunch your numbers after the year is over. Z&W plans with you *before* year end, to *minimize* your taxes and help you keep more of what you earn!
2. **Recognized Expertise.** Just about anyone can call himself a “tax preparer”. At Z&W, based on their knowledge and experience, they have earned the prestigious designation of *Certified* Public Accountants.
3. **Unusual Longevity.** Z&W has been in business for *over 40 years*. With seasoned professionals, you can count on Z&W to be there in the future for you, your surviving spouse, your trustees and beneficiaries.
4. **Extensive Experience with Trusts and Estates.** Z&W does personalized pre and *post-death* income tax planning and preparation for trusts and estates, too. Few tax firms are experienced in this specialty area that your loved ones will need someday.
5. **They’re Part of a Unique Planning Team.** Z&W work closely with your attorney at the Law Firm of Kavesh, Minor & Otis, as well as its affiliated financial advisors at Pence Wealth Management, when planning your taxes and implementing recommendations. That means greater efficiency and cost-effectiveness for you.
6. **They’re Not Just Your Tax Accountants, They’re Your Neighbors.** One of Z&W’s guiding principles has always been service to the community, as well as to their clients. Z&W partners serve on local city advisory boards and on the boards of such non-profit organizations as the South Bay YMCA and the Torrance Memorial Medical Center Foundation.
7. **Convenience.** While Z&W’s main offices are in Torrance, they are also available, by appointment, to meet with you, your trustees and beneficiaries at the various Kavesh, Minor & Otis law offices located throughout Los Angeles and Orange Counties.
