by Philip J. Kavesh, Attorney

Whether you (or your parents) are a senior citizen, and even if you (or your parents) already have insurance coverage for prescription drugs, you'll want to read on.

Mom's Story

I'll begin with a short but poignant story. Recently, I took over all my Mom's affairs. At age 93, she is blessed with remarkably good health, but now her dementia has advanced to the stage where she is unable to manage her own affairs. Like it or not, statistics predict that... [READ ON](#)

However, also buried in the Act is a little-known provision that...

**Ingredients:**

- 1 quart cold water
- 1/3 cup kosher salt
- 1/2 cup white sugar
- 1 (4 pound) whole chicken, cut into 4 pieces
- 1 pint cherry tomatoes
- 3 habanero peppers, seeded
- 4 cloves garlic
- 1/2 teaspoon ground allspice
- 1/2 teaspoon dried thyme
- 1/4 teaspoon ground cumin
- 1/4 teaspoon ground black pepper
- 1/4 teaspoon cayenne pepper
- 1 tablespoon vegetable oil
- 2 tablespoons prepared Thai sweet chili sauce

Directions:

1. Combine water, kosher salt, and sugar in a saucepan over low heat; cook until sugar and salt dissolve, 4 to 5 minutes. Set aside to cool to room temperature.
2. Score the skin side of each piece of chicken 2 to 3 times, about 1/8 inch deep. Place chicken pieces in a large bowl or lidded container.
3. Puree cherry tomatoes, habanero peppers, garlic, and allspice with the salt and sugar mixture in a blender until smooth.
4. Pour tomato brine over chicken pieces, making sure all pieces are covered. Refrigerate 4 to 6 hours.
5. Remove chicken pieces and transfer to a plate or baking sheet lined with paper towels. Pat chicken pieces dry with more paper towels.
6. Preheat an outdoor grill for high heat and lightly oil the grate.
7. Combine thyme, cumin, black pepper, cayenne pepper, and oil in a small bowl.
8. Brush each chicken piece with thyme and oil mixture.
9. Cook chicken, skin side down, on the preheated grill for 1 to 2 minutes. Turn each piece and move to

"My fathers estate plane (including Advanced Care Directives, Durable Power of Attorney and a Living Trust) were organized by Jane L. at Kavesh Minor and Otis. My father was officially been diagnosed with Dementia this year and the process has been incredibly smooth and pleasant for our entire family. This is astounding, given that I am an only child with two teenage children. The structure of my father's Living Trust greatly eased the process and made his golden years truly golden for our entire family.

Becoming the co-trustee of my father's trust while he was still functional in 2014 also eased in the transition. As soon as both of my children are over 18, I intend to have a trust created with them as co-trustees in order to teach them fiscal responsibility. Also, Kavesh, Minor and Otis have seminars which provide great insight to all who attend. I strongly recommend them."

instant-read thermometer inserted near the bone should read 165 degrees F (74 degrees C).

- 10. Brush each piece with Thai sweet chile sauce. Transfer to a plate and allow chicken to rest for 10 minutes before serving.
